ASSOCIATION FOR HEALTHCARE DOCUMENTATION INTEGRITY

Attention Medical Language Specialist students in the Bay and Mid-Michigan areas:

The Bay Area Chapter of the Association for Healthcare Documentation Integrity is sponsoring a new study group for medical language specialist/medical transcription students who qualify or will soon be qualifying to take the Level 1 Registered Medical Transcriptionist (RMT) credential exam. To qualify, you must be a recent graduate of a medical transcription training program or have less than 2 years of experience as a medical transcriptionist. This group is structured to meet on the following Saturdays: January 10 and 17th and March 14 and 21st at the James E. Wickson Memorial Library, 359 S. Franklin Street, Frankenmuth, from 10:00 a.m. – 12:00 p.m. The interim period between Jan. 17th and March 14th will be independent study. Participants will need to purchase an AAMT RMT Review Guide (about \$60). For questions or to register and order a book, contact Cora at 989-683-2058 or kcclement56923@yahoo.com.

There is no obligation to take the exam, but preparing for and passing this exam will give you a more marketable edge over other candidates who have not put forth the effort; so come on, you can do it! Sign up today.
